Graduation is one of the most important milestones in our lives!

Academic achievement is an honor and a privilege.

All graduates have worked with dedication and strength of character,
facing many challenges, and overcoming many obstacles.

Therefore, with great pride, we want to introduce one of our graduates.

Congratulations!

Ms. Cynthia J. Black

Associate of Arts in General Studies

Ms. Cynthia J. Black was born in California, but considers Germany her home. She enjoys reading, drawing, writing and enjoys being in the good company of family and close friends. Since living in Germany, she has gained a large interest in European architecture and tries to benefit from traveling in Europe.

Ms. Black has plans to pursue her education beyond her Associate's Degree and hopes to give back to the community by helping those in need. While she is driven by her ambitions and goals, she also cites her family and close friends as a daily motivation in her life.
