Graduation is one of the most important milestones in our lives!

Academic achievement is an honor and a privilege.

All graduates have worked with dedication and strength of character,

Therefore, with great pride, we want to introduce one of our graduates.

About CTC

Mr. Rodriguez was born in Miami, FL and raised in Caracas, Venezuela; Texas is where he calls home now. Gilbert is a Staff Sergeant in the U.S. Army and his MOS is Automated Logistical Specialist 92A, which is primarily responsible for supervising and performing management and warehouse functions in order to maintain equipment records and parts. He is currently the Supply Sergeant for the International Training Center at Pfullendorf, Germany. His future educational goals are to obtain a Bachelor of Science Degree in Business Management.

"Honestly, my experience with CTC was fantastic. I had the opportunity to go to CTC at Fort Hood as well as online. I've been lucky to meet so many great people in the community, including professors and former students. Since day one, I fell in love with the school; great programs and they are always taking care of Soldiers and families...sometimes I wish CTC was a four year institution. Thank you for everything." - Mr. Gilbert Rodriguez
