Central Texas College has established programs to ensure a lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

Where Can We Take You?

Deciding what to study in college may be one of the most important decisions you will ever make! You will select a type of program based on your goals:

Associate of Arts and Associate of Science degree programs are designed to allow for the transfer of credits earned at Central Texas College to the bachelor degree requirements at most four-year public colleges and universities. Completion of the 42 semester hours of core curriculum in each degree guarantees transferability of the minimum 42 semester credit hours of state-mandated core curricula toward the general education requirements of a bachelor's degree program at state-supported colleges and universities in Texas.

Associate of Arts in Interdisciplinary Studies includes 42 semester credit hours of state-mandated core curricula toward the general education requirements of a bachelor's degree plus 18 semester hours required for the completion of the degree program. Upon completion of 30 semester hours of college credit (15 or more semester hours for dual credit courses), the student must file a degree plan which emphasizes the student's transition to a particular four-year college or university and prepares for the student's intended field of study or major at the four-year college or university.

Associate of Applied Science degrees are designed to prepare students for employment. Within many of the associate of applied science degrees, there are certificates of completion that can be finished in less than two years. Many of the fastest growing careers in the state of Texas require these certificates and degrees.

Non-Credit and Continuing Education programs, usually offered through the CTC Continuing Education Department offer short-term, career-skills training to prepare you for a job or refine your skills for the job you have. Popular programs include clinical medical assistant, truck driving and our police academy.

Auditing Available! Enrich your knowledge without testing and other graded course requirements. Subject to instructor approval and space availability. Admissions application and tuition payment required. No academic credit is available for audited classes.

Late Registration Schedule Changes (Drop/Add) and Withdrawal Dates

Note: Late Registration allowed if only one class meeting missed.

Note: Difference between a “drop” and “withdrawal”? When a student “drops” a course, the course is removed from the student’s class schedule and does not appear on a student’s academic record and transcript. The last day to drop a course is the course census date. When a student “withdraws” from a course, the course remains on the student’s academic record and transcript. A withdrawal occurs after the end of the drop period (census date) and up to about 75 percent course completion.

Important Information for Students who Drop or Withdraw from Courses

Under Section 51.907 of the Texas Education Code, “an institution of higher education may not permit a student to drop more than six courses, including any course a transfer student has dropped at another institution of higher education.” This statute was enacted by the State of Texas in spring 2007 and applies to students who enroll in a public institution of higher education as first-time freshmen in fall 2007 or later. Any course that a student drops is counted toward the six-course limit if

- (1) the student was able to drop the course without receiving a grade or incurring an academic penalty;
- (2) the student’s transcript indicates or will indicate that the student was enrolled in the course; and
- (3) the student is not dropping the course in order to withdraw from the institution.

How to Register through Eagle Self-Service

Online Registration is through “Student Planning” in Eagle Self-Service. Go to student.ctcd.org.

- Step 1: Enter User Name** Username is the letter “c” (lowercase) plus your seven-digit CTC ID. Example: c0654321.
- Step 2: Enter Password** Your initial password is comprised of the first initial of your first name, first initial of your last name, six-digit date of birth followed by “ctcollege”, all lower-case. For example, John Smith, born June, 1, 1988, would be “js060188ctcollege”. On your first attempt to log-in to Eagle Self-Service, you will be prompted to change your password. Note this password for future use. Once you change your password, you may proceed with registration.
- Step 3: Student Planning** After successfully logging in, click Student Planning.

- View your progress (for returning or transfer students)
 - Plan your Degree & Register for Classes (for new students)
 - Click on "Course Catalog" to browse the courses offered
 - Select your courses and either add them to your plan or put them on your schedule and register

Student Planning Availability to Drop a Class

To avoid a financial penalty, you must drop a class before the class starts. The last day to drop a course through Student Planning in Eagle Self-Service is the Sunday before the term start date. After the Eagle Self-Service drop date passes, students may complete the Schedule Change Request eForm and submit the eForm to Central Records-Reg. Or, students may fax a request to drop a distance education course to the Central Campus Records and Registration office at 254-526-1961 or email the drop request to central.registration@ctcd.edu. ***Drop requests must be received no later than the Sunday (applicable Central Standard Daylight Time or Central Standard Time) before the Monday start date.***

My Progress Report for Students – Degree Planning

Students may view their degree plan, explore other programs and register for courses required on their degree plan through Eagle Self-Service’s “Student Planning.” Log into Eagle Self-Service, go to Student Planning then click “Go to My Progress.” The My Progress is your automated degree plan that lists all courses required for your degree or certificate, classes you have completed and all courses still needed. The course requirements listed on your automated degree plan are based on the catalog year listed for you in the college’s student information system. Contact your advisor if you wish to update this information. Academic advising is a shared responsibility between the student and academic advisor. You and your advisor will use your automated degree plan to discuss your goals and track your academic progress. Do you want to know how close you might be to completing another program of study? Use the “View a New Program” tool in My Progress. This will not change your program of study.

Staying on Track

How to determine your grade point average (GPA)

Multiply the number of grade points for each grade by the number of credit hours for the course. Add the totals. Divide the total grade points by the number of hours attempted. Grades of IP, W, N or P and grades in developmental courses (A, B, C) are not included in the grade point averaging.

Course	Grade	Grade Points	Credit Hours	Calculation
BUSI 1301	A	4	3	$4 \times 3 = 12$
ENGL 1301	B	3	3	$3 \times 3 = 9$
ITSC 1409	C	2	4	$2 \times 4 = 8$
CJLE 1211	D	1	2	$1 \times 2 = 2$
			12 crs.	31 gp.
			$31/12 = 2.583$ GPA	

The grading system at Central Texas College is as follows:

Grades	Grade	Points
A	Superior	4
B	Above Average	3
C	Average	2
D	Passing, but Unsatisfactory	1
F	Failure	0
IP	Incomplete, in progress (except developmental)	Not Computed
N	No Credit	Not Computed
P	Completed	Not Computed
W	Withdrawal	Not Computed

Having Trouble with Classes?

Discuss your issue with your instructor. Instructors have office hours available for students to go over course requirements, estimated grades, ideas for boosting your grade and steps to get on track.

Use Academic Studio. CTC offers free tutoring and assistance upstairs in the Student Center (Bldg. 220). Services include tutoring, peer mentoring, workshops, academic clinics, study groups, academic and success advising, information, support resources and more.

Discuss the issue with Academic Advising. We can meet to discuss your options and help you plan the best course of action. Go to www.ctcd.edu/advisorappointments to schedule an appointment.

Know the drop/withdrawal dates. Our drop/withdrawal dates are posted each semester, along with a refund schedule. Before dropping or withdrawing, always discuss your decision with your funding source (Financial Aid, VA, MyCAA, etc.).
